ITALIAN HERITAGE OF OVER 180 YEARS

Pigna was founded in 1839 in Alzano Lombardo, near Bergamo, by Paolo Pigna and his family. Today, after 180 years, the Pigna site is still there. The mission, right from the start, has been to create the best Made in Italy notebooks for students and workers as well. Even before the coming of television and advertising, Pigna notebooks contributed to the literacy of Italy and entered the collective notional of Italians, thanks to the graphics and design of their covers.

Today Pigna is a leading brand in Made in Italy stationery with a vision in motivating people, from children to adults, to rediscover, express and tell their uniqueness, everyday.

PIGNA HAS BEEN GRANTED HISTORICAL BRAND STATUS BY THE ITALIAN GOVERNMENT
