Millionaire Brownies
Makes 2 dozen

18-1/4 oz. pkg. chocolate fudge cake mix
1 c. evaporated milk, divided
3/4 c. butter, softened
14-oz. pkg. caramels, unwrapped
1-1/2 c. semi-sweet chocolate chips
1-1/2 c. chopped pecans

Stir dry cake mix, 2/3 cup evaporated milk and butter until moistened. Spread half the mixture in a greased 13"x9" baking pan. Bake at 350 degrees for 8 minutes; cool. Combine caramels and remaining evaporated milk in a small saucepan over low heat, stir constantly, until caramels are melted. Sprinkle brownies with chocolate chips; drizzle with caramel mixture. Top with pecans. Spread remaining batter over top. Bake at 350 degrees for 18 to 20 minutes. Cool completely before cutting.

Crushed toffee or peppermint candy makes a festive topping for rich brownies. Simply place candy in a plastic zipping bag and tap gently with a kitchen mallet until candy is broken up.
