Gooseberry Patch was founded in 1984 by Vickie Hutchins and Jo Ann Martin, two mothers who decided to start a mail-order business so they could work from home and keep an eye on the kids. The company, based in Delaware, Ohio, has grown quickly over the years and is now operated from a 52,000-square-foot building in the country. Aside from their company website, Gooseberry Patch products and cookbooks can be found in various retailers throughout the United States.
